It is informed that the Department of English has planned to publish **GVNC Phoenix: A Literary and Artistic Magazine** to publish every student's art, original literature, and creative works of the GVN College. We aim to create, encourage, and support a community of both emerging and established writers who will find their long-sought literary home here.

In this regard, students are asked to contribute their useful Write-ups, Stories, Verses, Drawings, and other interesting articles (Both Tamil and English). Submit your articles by E-mail to: [gvincphoenix@gmail.com](mailto:gvincphoenix@gmail.com) on or before June 2021.

Students are asked to send their articles in word format and images in .jpeg format (high resolution). Submitted articles will be screened by the editorial board and may be subject to alterations. Right to publish any contribution is reserved, and the decision of the Editorial Board will be final.
