INSTITUTIONAL DISTINCTIVENESS

G. Venkataswamy Naidu College aspires to become an institution known for

1. Effective conjunction between teaching and research
2. Providing quality education with a minimal fee structure
3. Promoting academic, physical, moral and cultural development of students
4. Making students opt for the present competitive world
5. Academic and professional development of teachers and staff

1. The college provides a perfect platform to students to develop their innovative skills by promoting a research based teaching and learning process. Teachers always encourage students to understand topics through research minded approach, which ensures better understanding and provides strong foundation for their future academics. This has increased participation of students in seminars and publishing papers in journals.

2. The college, being a government aided institution has a nominal fee structure. Faculty members are appointed through employment by conducting the interview, which ensures high quality of teachers, thus providing quality education under nominal fee structure. Several students get scholarships from State Government, which further ensures better education of the economically challenged students.

3. Apart from academic excellence, the college also pays sincere attention to the physical, moral and cultural development of students. Students have shown outstanding performance in sports tournaments in the year 2019-2020. Students are encouraged to participate in competitions like mini marathon, Hockey etc., at various levels.

4. Students are motivated to participate in extracurricular activities and coaching classes for NET/SET Examinations conducted for PG students and competitive exams like TNPSC, SSC etc., arranged for UG students.

5. Professional and academic development of teachers is always encouraged by applying research projects through state and national funding agencies like TNSFC, UGC and ICSSR. Faculty members participate in short term courses, orientation programmes and other training programmes. Technical and administrative staff members of the college are provided necessary training and support by the Management as and when required.
