### About the College:

The idea of starting a college at Kovilpatti was mooted on 29 th April 1966 by the auspices of the G. Kuppaswamy Naidu Charity Trust for Education and Medical Relief. The regular classes commenced with the blessings of the Zamindar of Illayarasanandal Sri K.R.Appaswamy Naidu. The College was formally inaugurated on 17th July 1966 by Mr. M.Bakthavatsalam, the honorable Chief Minister of Madras. The College began with four branches of Pre-University Courses, two in Science and two in Humanities. G. Venkataswamy Naidu College is an embodiment of triumph in the life of students. Adding to its greatness, NAAC has declared 'A Grade with a CGPA of 3.21 out of 4.0. Our College has rich tradition and heritage in the enrichment of knowledge in young minds.

### About the Department:

The newly added course from the academic year 2021 onwards. The BCA complete form is **Bachelor of Computer Applications** (BCA), a three-year undergraduate program focusing on computer applications and software development. It is a popular choice for students who want to enter the information technology (IT) field. Moreover, the IT industry is one of the fastest-growing industries in India, and there is a high demand for skilled IT professionals.

The **Department of Information Technology** is at the forefront of leading and molding our students to face the challenges of today's dynamic world. The M.Sc. IT was started in the Academic year 2002- 2003, and B.Sc. Information Technology was started in the Academic Year 2008-2009. The B.Sc. IT laboratory was declared open on 13.06.2008 by Dr. Sabapathy Mohan, Vice Chancellor of M. S. University, Tirunelveli.

### About the Seminar:

The Department of Computer Applications & Information Technology, G.Venkataswamy Naidu College is conducting a One-day National Level Seminar on **"Recent Trends and Innovative Ideas in Computing Environment"**. This seminar aims to bring together the best minds in the IT industry and academic fields in one forum and discuss the issues, challenges, strategies, and recent trends in Computer Technology and Education.
